

An Introduction to Photo Scanning & Editing

Wednesday, October 19, 2011

A great introduction or a good refresher, this class will teach the basics of scanning and digitally editing photos. Participants will learn simple methods for scanning, naming and archiving old photos, as well as how to reverse the effects of time by correcting color shift, eliminating fading, and repairing physical damage! ***(NOTE: This is not a hands-on training, please leave your laptop at home.)***

Limited to 18 participants! Please register in advance by calling 360-874-8813 or visit us at the PSGS Library in Port Orchard at 2501 SE Mile Hill Dr, Suite A102.
